The DURHAM UNION
– MICHAELMAS 2017 –

– TERM CARD –

CELEBRATING 175 YEARS
⇒ 1842 – 2017 ⇐
1. RIP UP THE RULE BOOK

If you never go against the grain, always follow the well-trodden path and consistently take the safe option, you could find yourself sleepwalking into a predictable career with a traditional firm. If that’s how you see your future, we wish you every success. But please look away now. If you prefer the bold to the boring, however, and find the prospect of joining a different kind of law firm enticing, we’d love to talk to you. We want to break the mould, rewrite the rules and redefine the legal profession. Your mission could be to build the law firm of the future, today. And to define your career at the same time.

Welcome

For those about to begin their journey at Durham University, many congratulations on your recent results, and a very warm welcome to the Durham Union Society. To all our returners, I hope you had an enjoyable summer break, and we look forward to welcoming you back.

Unique to Durham, Oxford and Cambridge, the Union Society fulfils several different functions. We provide students with the opportunity to meet, listen to and engage with an incredibly diverse range of leading figures from all areas of public life. This is done through a host of weekly addresses, and of course our Friday night debates, where we consider the most pressing issues of the day. This term we have debate motions ranging from whether we should sacrifice more privacy for national security, to whether the Union has confidence in Her Majesty’s Government. Our first address (to be delivered by BBC polling expert, Prof. John Curtice) and our first debate of term, on the motion ‘This House Believes Liberalism is in Retreat’, are open to all students, not just members of the Union.

In recent years the Union has been fortunate to host speakers ranging from Boris Johnson, Nick Clegg and David Miliband, to Jeremy Vine and Anastasia Lin. This term we also have an exciting line up of speakers, including Lord Menzies Campbell, Mark Littlewood, the Australian High Commissioner, the Archbishop of York and Natalie Bennett.

However, the Union is far more than just a forum for debate - it is also an important social hub. With over 800 Freshers signing up to the Union each year, attending Durham Union socials as a Fresher is a unique way to meet like-minded people and make friends with those from different colleges and courses. This term we will host our annual Freshers’ Welcome Social, an elaborate social to celebrate 175 years since the Union was founded, a Christmas Social, and of course our Masquerade Ball, which will be held at the magnificent Beamish Hall. Our socials are held in the Union’s private members club, situated at 24 North Bailey. Membership of the Union also gives you the opportunity to live and work in the 24 North Bailey Club. Indeed, we are the only society at Durham University to have our own private venue.

The Durham Union also offers one of the globe’s finest student debating programmes for those who want to learn the art of debating as a novice or hone their skills with our world class debating squad. You can of course also become involved in the running of the society through committees and officer positions, which is great for your CV, and a highly rewarding way to use your free time as a student.

It is fair to say that it is hard to gain the true Durham experience without membership of the Union! I very much look forward to seeing you at one of our upcoming events.

Very best wishes,

Daniel Cohen

Look out for details towards to the end of term!

Guaranteed to be a night to remember
24 North Bailey Club (commonly known as ‘24s’) is one of the Durham Union’s most cherished assets. No other student society at the University can claim to have its own private venue, with a bar, garden, Reading Room and living accommodation for Union members.

It is the social hub of our society. Every evening dozens of our members come here to relax and enjoy the Union’s incredibly cheap drinks! College bars are brilliant, but being situated in the very centre of Durham and unaffiliated to any college, the 24s bar is an excellent place to meet up with friends from all over the University. Unlike most college bars it also has a huge beer garden, and the charm of 24s lends it a great atmosphere — the bar is decorated with memorabilia from past events, and after our evening events it is not uncommon that speakers make a visit to the bar, so you never know who you might meet! All in all, it is truly one of the best student bars in Durham.

**Bar Events**

In addition to our regular free social events, the bar holds its own regular events. Every other week on a Sunday night there is a Pub Quiz (in which winning teams are rewarded with a prize), and other events in recent terms have included our famous ‘Open Mic Nights’.

**Opening Hours:**
Sunday - Thursday: 8:30-11:30pm
Friday & Saturday: 8:30pm-12:00am
For those who would like to try debating, the Durham Union Society also has an excellent competitive squad. Last year we were home to the ninth best team in the world, as well as winning many competitions at home in the UK. Debating is an excellent way to develop your confidence in speaking, and looks brilliant on a CV.

Nearly every week we send students across the country to compete on behalf of Durham. We also compete at the World and European Debating Championships - recently this has included travel to Malaysia, Greece, Estonia, Poland, India, and many more places. This winter, we will be sending teams to the Worlds in Mexico City!

Our training program is one of the best in the UK. We run competitive speaking training at a novice, intermediate, and advanced level - so whatever your experience is, we would love to have you! Some of Durham’s most successful speakers arrived on campus having never debated at all.

On Thursday, October 12th we will be hosting a launch to the competitive debating year in the beautiful Debating Chamber in the Pemberton Buildings on Palace Green. Come by at 7:00 pm if you think that competitive debating could be for you!

As well as fielding our own competitive squads, Durham hosts several prestigious debating competitions throughout the year. Notably, we host the largest residential schools debating competition in the world in March. This competition brings the best young public speakers from across the country, and occasionally the world, to speak at our union – we often see students enrol at Durham who previously competed at Durham Schools.

A sincerest welcome to Durham, and to the Durham Union Society, from the union’s competitive debating squad. We hope to see you around Palace Green this Michaelmas!
There are many ways to become involved in the Union besides attending our events. Putting together our termly programmes is a huge undertaking, involving a host of elected officers and committees. There really is a role for everyone who wants to get involved.

**President’s Committee**
Helps the President prepare for their upcoming term, by researching speakers to invite to addresses, debates and forums, and assist the President draft the invitations.

**Consultative Committee**
Connects the Union with the colleges. It consists of a representative from each of the University’s colleges, who are elected in order to gather members’ feedback, and distribute Union publicity within their college.

**Debates Committee**
Organises the debating workshops and internal competitions. They help run three of the largest debating competitions in the UK: the IV, the Schools’ Competition and the Open.

**House Committee**
Responsible for taking care of the logistical operations that accompany each of our events.

**Rules Committee**
Assist the Returning Officer in running free and fair elections to all Union positions, by scrutinising procedures. They also ensure that the Union’s constitution is constantly evolving and staying relevant.

**Social Committee**
Working with the Social Secretary, this committee helps organise the Union’s social events, and is perfect for anyone interested in getting involved with the creative side of the Union.

**Sponsorship Committee**
In tandem with the Sponsorship and Assistant Sponsorship Secretaries, this committee encourages outside bodies (local and national companies) to support the Union’s events.

President’s Thanks

Putting together a term of events at the Durham Union is a huge task, and one that simply couldn’t happen without extremely valuable contributions from the Union’s permanent staff and elected student members.

Sharon, our Office Manager, thank you for being such a wise counsel. I don’t think a day has gone by since when I was first elected back in February when I haven’t sought your sage advice. Thank you also to Alison for all your hard work in the office, and to our outgoing Bar Manager, Mike, for all the mentoring you’ve given to our bar staff over the years, and for keeping the bar ticking over. Sue - our irreplaceable housekeeper - thank you for all the work you put into keeping the Union in good working order!

The encouragement and support that has been offered to me from former Presidents of the Union has also been much appreciated. In particular, thank you to the Grandfather of the Union, George Jackson, our Michaelmas 2016 President (and now the Custodian and Returning Officer) for imparting so much guidance and for being so generous in giving up your free time to help with all the administrative tasks that took place over the summer break.

Many thanks to my Presidential Campaign Team, who helped us draw in an incredible number of votes back in February, and to Clara Hodge, for being my serial proposer! Clara, thanks for keeping me sane and for all the time you’ve put into attracting sponsors. Thanks also to Sam Johnson-Audini for helping to bring in new sponsors.

It wouldn’t have been possible to have the quantity and quality of speakers that we’ve hosted this term if it weren’t for the hours put in by my President’s Committee, who have played an indispensable role in the speaker recruitment process. Ben Cooper, Polly Lindsay, Harriet Good, Victoria Tsaneva, David Van Egghen and David Dubinsky, thank you! My thanks must also go to James Plaut, my Speakers’ Secretary, for his commitment to finding excellent speakers.

Izzy Morrow, thank you for all your help at the end of Easter Term with the Michaelmas Masquerade Ball! Sabrina Steuer, you’ve got off to a cracking start, and I have no doubt we can all look forward to your socials! David Van Egghen, thank you for minutng all our meetings and making it look like an easy task, and to Ollie Lewis for doing much the same, and also for sending out our weekly emails and keeping the website up to date. Yago, thanks to you and to House Committee for ensuring all our events run smoothly on the ground. Thanks also to Aaron Lee for being so willing to lend a hand over the summer with various administrative tasks.

Thank you to Rory Flynn, Martha Muir and Eric Sargent for stewarding Durham’s outstanding competitive student debaters and ensuring we continue to offer one of the finest student debating programmes in the world. We all look forward to hearing of the successes you’ll no doubt achieve in the coming year.

Rhodri Sheldrake Davies, many thanks for your technological wizardry and for producing all of our event posters. Chris Clarke, our Treasurer, I look forward to seeing what rabbits you pull out the hat at your first Budget and Autumn Statement! And to my good friend Jack, very best of luck planning your upcoming term as President. I have every confidence you’ll do a fine job.
